

## Summer Johnson

**Sustainable & Impact Banking**  
**Barclays Investment Bank**

Summer Johnson is an original and current member of Barclays Sustainable & Impact Banking team, a first-of-its-kind on Wall Street. Her role involves advising positive-impact companies, which are businesses with a product or service that addresses an environmental or social challenge, on capital raising and corporate strategy. She focuses on mission aligned investors and also works with large-cap companies on their sustainability strategy.
